BOY'S CONFERENCE PROVES TO BE VERY BENEFICIAL

Interesting Talks and Papers are Given at the Y. M. C. A.—Conference Continues This Evening and Tomorrow Afternoon—Good Program is Arranged for Boys.

Considerable interest is being manifested in the boys' conference conducted by State Boys' Secretary J. A. Van Dis at the Calumet Y. M. C. A. Last night's session, while not largely attended was a very representative one.

The meeting was presided over by E. T. Daumo, who made a most capable chairman. In opening Mr. Daumo gave a brief address, in which he referred to the object of the meeting, and the work of Mr. Van Dis.

The Adolescent Boy.

The state secretary for boys gave a brief talk on "The Adolescent Boy." He began by explaining the meaning of the word adolescence as applied to boys, stating that it covered a boy's life between the ages of 13 and 19 years. It is the period, said Mr. Van Dis, when work among boys is most profitable. Mr. Van Dis stated that he has in this state of Michigan about 200,000 boys indirectly under his charge. A boy's physical condition should be watched during the adolescent period. Science says that between those ages a boy's heart increases to twice its ordinary size, the blood courses more freely in the veins, and there is a growth of impulsiveness that is hard to keep within bounds. Judging from past experience, Mr. Van Dis said the Y. M. C. A. appeals to all sides of a boy's nature.

Play in Groups.

Mr. Van Dis referred to the "gang instinct." Before the age of 13 boys as a rule play as individuals rather than in groups, but after that age the gang instinct is apparent and should be encouraged, especially when it is promulgated along right lines. Again the Y. M. C. A. steps in said Mr. Van Dis, and arranges group games, basketball and baseball leagues, all of which are for the purpose of keeping the boys together.

Mr. Van Dis referred to camp life for the boys and tramps to the woods that are arranged by the Y. M. C. A. and expressed a belief that they should be encouraged.

Mr. Van Dis was much interested in the class of literature that boys read, particularly in this section, and he received much valuable information from a paper read at the meeting by Mrs. E. S. Grieron, librarian of the C. & M. library.

Choose Good Literature.

Mrs. Grieron's paper was on "The Boy and His Reading." It was a most interesting paper and will be published in full in another issue, as well as a paper by Rev. J. Povey on "The Boy and the Sunday School."

Mrs. Grieron advocated that children be allowed to roam about in the library at will, believing that children form an attachment for the best kind of literature. She favors giving the boy the books he likes to read, and not what we would like him to read. Mrs. Grieron gave some very interesting information along this line, mentioning the names of many prominent authors, who appeal to the younger folks.

Other Features.

Secretary George D. Westermann and Physical Director Sherwood were to have given papers last evening on "The Y. M. C. A. and the Boys of the Community" and the latter on "The Moral Value of Athletics." Mr. Westermann's paper was omitted until tonight's session, as was Mr. Sherwood's.

Rev. J. Povey of Lake Linden, read a short paper on "The Boy and the Sunday School." He advanced many useful hints.

The conference will be continued today and tomorrow.

ALL STAR CRICKET TEAM LEADS IN FIRST INNING

At 2:30 o'clock this afternoon the C. & H. cricket team was facing an almost impossible problem in the attempt to defeat the All-Star team, the locals having only scored 15 runs in the first inning, while the All-Stars had compiled 23 for the loss of only five wickets, with five more wickets to fall. Of course the C. & H. team has yet a chance to snatch defeat from the hands of the pick of the county, as there is still another inning to play.

TARIFF MEASURE MEETS APPROVAL OF REPUBLICANS

Boston, Oct. 2.—The platform adopted by the republican state convention here today considers the income tax a non-partisan question and favors leaving it to the legislature for decision. The platform commends the policy of conservation of national resources and gives "unqualified approval" of the administration of President Taft; expresses a belief that the tariff law "is of more value to laboring interests of United States than any other measure that has ever been enacted and that it will bring more prosperity and more comfort than were ever before affected by one act of industrial legislation."

Governor Draper was unanimously nominated for re-election.

DOKAYS WILL DANCE.

Copper country members of the Dramatic Order of the Knights of Khorassan are making plans for a dancing party to be given in this city in the near future. It is estimated that there are about 80 Dokays in the copper country, members of the two classes which joined Al Sirat Temple of Duluth, this spring and summer, and it is planned to invite all of the Pythians of the copper country to attend the function. It is altogether likely that the Duluth members of this Temple will come to the copper country during the winter months and that another class of members will be admitted. This will leave the total number of Dokays in the copper country large enough to receive a charter and organize a new Temple here.

KEARSARGE NEWS NOTES.

Mrs. J. B. Veale has returned to her home at Kearsarge after spending some time with relatives at Ironwood. Richard Liddlecat, Sr., of the Kearsarge, is visiting with Iron country friends.

Rev. E. Sedwick and wife have arrived home from Detroit, and will occupy the pulpit of his church tomorrow at the Calumet M. E.

William Bryant has returned to his home at Kearsarge after visiting with friends in Wisconsin points.

Miss Hannah Backman has gone to Ann Arbor to enter the U. of M. training school for nurses.

Miss E. Johann is home from a tour of European cities, where she has been studying Parisian styles and other features of the hairdressing art.

The funeral of the late Henry Sobey took place this afternoon from the Calumet M. E. church. Rev. E. Sedwick officiating.

Mrs. G. W. Hubbard and Miss Root of Marquette, are visiting in Calumet with friends.

HIGH SCHOOL TEAM.

Lake Linden high school is to have an independent football team. This decision was recently made by the boys. At the time of the forming of the high school schedule of the county, the boys did not take an interest in the game and thought that there would not be enough time for practice but with the opening of the season a team was organized. They will not be ready for games for some weeks, but will play several games with other high schools of the county before the season comes to an end.

OPENING OF U. S. LAND.

A number of local people expect to leave early next week for Valler, Mont., a new railroad town, in order to participate in the U. S. government land opening of 76,000 acres of irrigated land. This land is situated 65 miles north of Great Falls, Mont., and is to be thrown open to entry and settlement. A feature, is that title can be acquired by only 30 days' residence.

KANSAS CITY GETS NEXT BIG CROATIAN CONVENTION

Sessions Close at Noon Today After Two Weeks of Hard Work for the Delegates—Resolutions of Thanks are Adopted Today—College Movement Gains Headway.

President—Paul Hajdic, Chicago.
First vice president—Joseph Lubich, Allegheny, Pa.
Second vice president—J. Pavela, Denver, Col.
Recording secretary—S. Rebrovich, Allegheny, Pa.
Financial secretary—J. Jurovich, Calumet.

Treasurer—Thomas Lakovich, Chicago.
Board of trustees—P. Pavlinac, chairman; Joseph Marohnic, Allegheny, Pa.; secretary, V. Kavzic, Allegheny, Pa.; Frank Bosich, Allegheny, Pa.; A. Maranovich, New York; E. J. Mandekovich, McKeesport, Pa.

Trial board—Chairman, Nick Bovedanac, Pueblo, Colo.; secretary, Matt Marohnic, John Gasparovich, Calumet, A. Vlech, Chicago; John Bosich, Chicago, and A. Padavic, Missouri. Physician—Dr. J. V. Grahek, Calumet.

The above are the complete list of officers selected at this morning's session of the tri-ennial convention of the Croatian society, held in this city. The only changes to be noted are that of vice-president and financial secretary. Mr. Lubich taking the place of Mr. Badovinac, as first vice-president, and Mr. Jurovich defeating Mr. Marohnic for the office of financial secretary.

It will be seen that the defeated candidate for financial secretary has been named a member of the board of trustees, while Mr. Gasparovich of this city received a place on the trial board. Dr. Grahek also has been named physician for the society, which is a very pleasing appointment locally.

Kansas City Wins.

The convention this morning decided on Kansas City, Kas., as the next meeting place, three years hence, the city receiving the most votes. The convention closed at noon today, and the respective delegates will be leaving for their homes this evening and tomorrow.

Presentation Made.

A pleasing feature of the session this morning was the decision to donate \$500 to Joseph Marohnic, the retiring financial secretary of the society, for past services rendered, and as an appreciation of his worth. This decision was unanimous. Mr. Marohnic declined to take a personal check for that amount and the delegates decided to buy him a diamond pin valued at that amount or any other article that he might prefer. Mr. Marohnic has held the office of financial secretary for the past eleven years and his work while in office has been highly appreciated. He did not wish reelection to the office, as his business interests in Allegheny interfered with his work as secretary of the society.

Resolutions Adopted.

A resolution was passed this morning thanking the citizens of Calumet, the village council of Laurium and Red Jacket, and the press for the splendid way in which the delegates had been entertained during their two weeks' stay. This resolution has been placed on record. Several of the delegates stated that Calumet has been an ideal spot for a convention and leave here with many feelings of regret.

The decision to erect an educational college for the Croats of this country as detailed in last night's News found a ready response this morning, when over \$2,000 was subscribed by the delegates personally. Mr. Marohnic stated to the News late today that he believes that within a period of three months \$50,000 will be forthcoming.

It is not generally known that the scheme to build and establish a Croatian college was the outcome of a suggestion of Attorney Anthony Lucas of this city.

LOCAL BREVITIES.

Fred Paul left for Ann Arbor yesterday afternoon, and will enter the U. of M.

Capt. J. M. Wilcox of Mass City, was a Calumet business visitor yesterday.

Johnson Jarvis of Detroit, is visiting with friends and relatives in Calumet for a couple of weeks.

Mr. and Mrs. Thompson of Painesville, O., are in the city on a visit.

Robert Hall, of Staepole, has returned home after spending a few days in Calumet.

"BUCK'S" RADIANT BASE-BURNER

Its Use in Your Home Stands for Economy and Better Heater Service

Without exception the finest Base Burner made—perfect in design. Construction and finish containing the largest amount of radiating surface ever put into a Base Burner—flues so constructed that the floor of your home is always warm and the heat through your rooms evenly distributed.

A poorly constructed Base Burner is dear at any price, because poorly made Base Burners are leaky Base Burners and cause an awful waste of fuel. Buck's are properly made, tightly made, do not leak and are fuel savers. Make "Buck's" your choice.
